

FLIGHTUNIT

2023

YEAR IN REVIEW

Our Mission & Vision

flightunit Mission Statement:
To cultivate strong leaders locally, to enable progressive
change globally

flightunit Vision Statement
One World, One Community

flightunit's: Educational Partners

flightunit has been making a difference in communities since 2010 by supporting schools both locally and globally. We are dedicated to creating meaningful partnerships that foster leadership, empowerment and a growth mindset.

flightunit has been a proud partner of the **Toronto District School Board (TDSB)** for over 10 years. The **tdsb** is the largest school board in Canada.

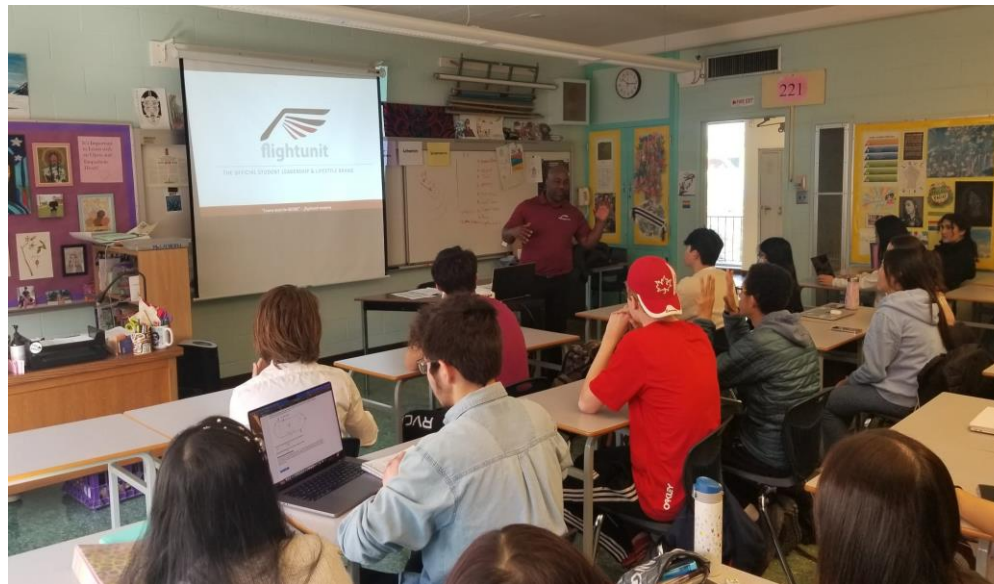

flightunit is an approved vendor of the following school boards & works cohesively with other boards.

flightunit Leadership Workshops

We are committed to making a difference in the world!

At our organization, we believe that leadership has transformative powers and is the key to creating lasting change. We are dedicated to empowering individuals with the skill set and mindset they need to become effective leaders.

SHSM- Specialist High Skills Major

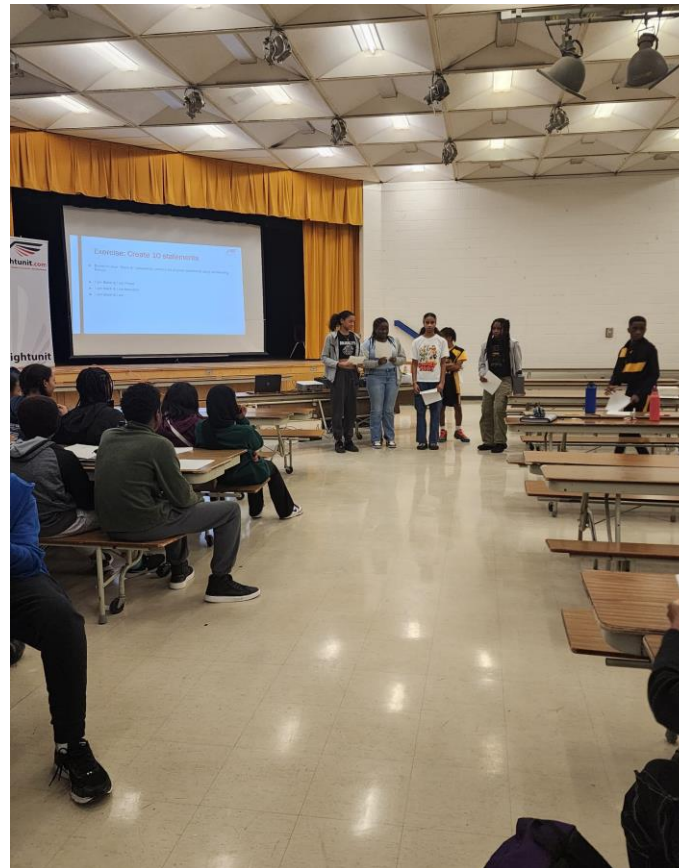

Our SHSM Program is an excellent opportunity for students to network with industry professionals and acquire industry experiences, knowledge, and new skill sets. We are proud to work with industry partners such as **Disney, CBC Radio, TTC, Mitch Marner Fund**, and many organizations to provide students with unique and highly engaging experiences.

Black Student Alliance (BSA) Programming

Based on the recent disheartening stats on black student success in Ontario, we are happy to be able to support, encourage, and provide BSA groups with solid skill sets for a successful journey.

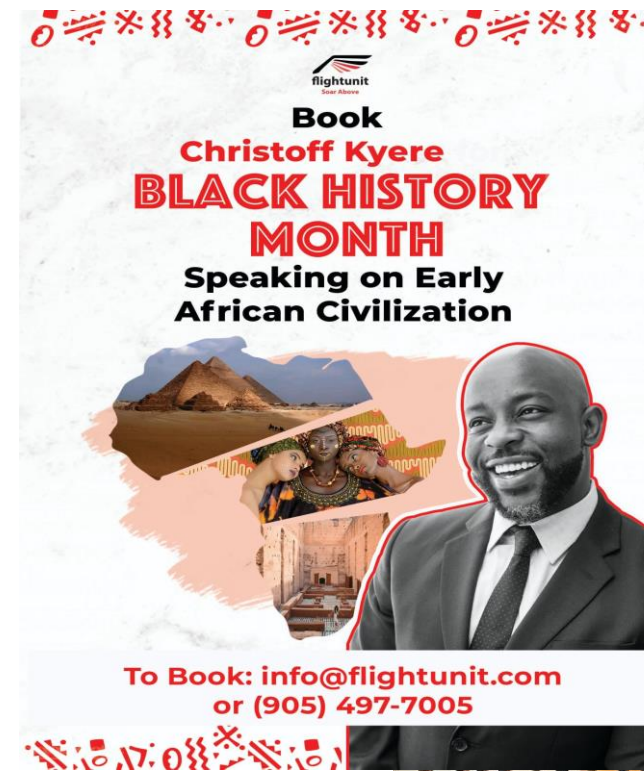

Our BSA program is designed to inspire confidence, create greater self-awareness, and build community.

Black History & Leadership Presentations

In this fast pace world it is crucial to address various topics that can impact students' growth and development. Over the past year we are thankful for the opportunity to speak to schools on the following topics.

- Back to school
- The N-word
- Black History Month (Early African Civilization)
- Building inclusive and safe environments
- Cultivating a Leadership Mindset
- Education Week
- End of year

flightunit Leadership Day Conference

Leadership means so much to us, and we were happy to put on our 1st flightunit Leadership Day Conference. We were thankful to provide over 500 students with an action-packed day, which included terrific panellists of industry professionals from different sectors, breakout sessions and an array of highly energetic performances.

Back to School Drive Campaign

Our organization's vision is to create a highly connected world community. We live in a world where countless people need our help and where a little goes a long way. In 2023, we launched our first back-to-school drive for students in rural Ghana, Africa. We are thankful to all the schools who participated and allowed us to provide books and stationery to 25 schools.

Thank you

On behalf of flightunit we would like to thank our excellent school board partners and all the schools who engaged flightunit our services to enlighten and empower their students, staff or parents/guardians. We are grateful to be able to be a part of your school communities and provide impactful leadership lessons for growth. As they say, sharing is caring, so we wish you a phenomenal year ahead from the bottom of our hearts!

*Thank
you*
